Subject: Save the Date: Inland Beach Workgroup Meeting on April 25, 2019

This is a message from the State Water Resources Control Board.

*Good morning everyone,
The State Water Resources Control Board is sharing the following information;*

California Water Quality Monitoring Council

SAVE THE DATE!

The California Inland Beach Monitoring Workgroup will be meeting **Thursday, April 25, 2019 1-4pm** at the CalEPA Building, 1001 I St., Sacramento. Remote access will be provided for those unable to attend in person. An agenda with more details will be sent out in mid-April.

The main focus for this meeting will be a discussion on [workgroup objectives](#) and priorities for the coming year, including presentations on some of the ideas highlighted at our first meeting. Other agenda topics will include an update on the Safe-to-Swim Network Charter, water sample collection procedures, and examples of how local groups are monitoring and assessing inland beach water quality. Please let me know if you have suggestions for additional topics.

I look forward to our next meeting!
